activities director; I found that many are not quite what I am looking for for children's dance classes, and some are too lengthy to fit into a 45 minute class. But it definitely offers a wide variety of ideas for a range of ages.0 of 0 people found the following review helpful. A great find!By V. RobbinsThis was great find. the games are excellent! There is something for everyone in this book. I would reccomend it to any music or drama teacher who needs ideas for class. And I would even recommend this to regular classroom teachers for use. It also came very quickly through mail. Thanks!0 of 0 people found the following review helpful. Five StarsBy Cathye JohnsonLove this

Encourages children to develop their imaginations, social skills, self-expression, and coordination with a collection of 101 dance games that emphasize creativity, no-blame activities, working with a group, and more.
