**Rudolf. Krause : A course in normal histology (v. 1): a guide for practical instruction in histology and microscopic anatomy** before purchasing it in order to gage whether or not it would be worth my time, and all praised A course in normal histology (v. 1): a guide for practical instruction in histology and microscopic anatomy:

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced

from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at [www.hathitrust.org](http://www.hathitrust.org).
