**Kathleen Park Talaro, Barry Chess : Foundations in Microbiology: Basic Principles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Foundations in Microbiology: Basic Principles:

Written with the non-major/allied health student in mind, Foundations in Microbiology offers an engaging and accessible writing style through the use of tools such as case studies and analogies to thoroughly explain difficult microbiology concepts. This alternate version of Foundations in Microbiology includes only the first 17 chapters of that text and does not include any disease chapters.
