Mark F. Sanders, John L. Bowman : Genetic Analysis: An Integrated Approach, Books a la Carte Plus MasteringGenetics with eText -- Access Card Package (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Genetic Analysis: An Integrated Approach, Books a la Carte Plus MasteringGenetics with eText -- Access Card Package (2nd Edition):

0 of 0 people found the following review helpful. Super expensive for no reasonBy CustomerSuper expensive for no reason. I only read 1 paragraph from the book then I gave up. I hated reading it, I hated the class even more. I only used the access code. There was no reason to kill so many trees so that this book can be made, super unfair to nature as well. Thank god I m done with this class...hopefully forever.0 of 0 people found the following review helpful.

Artificially upping the page count is disingenuous and annoying. By Customer The author writes the same thing over and over again. a blatant attempt to make the book longer than it had to be. Artificially upping the page count is disingenuous and annoying. 0 of 0 people found the following review helpful. Save and buy the online version through Mastering Genetics. By New User Save your money by getting the online version that comes with the Mastering Genetics. Taking the class right now, the loose leaf is super annoying because they are so easily torn. I barely use it.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE

About the Author Bowman has been active in commercial real estate for more than 30 years as a salesperson, broker, manager, and owner. He started in his family's commercial real estate company, Bowman Company, located in Portland, Oregon, where he became sales manager, president, and a part owner. In 1983 Bowman Company joined forces with Portland's largest commercial firm, Norris, Beggs and Simpson, where the Bowman spent 10 years as an industrial broker. He started his own commercial real estate company, John L. Bowman, Realtor in 1992. board of directors, and board member of the Oregon and Southwest Washington Commercial Association of Realtors?. He has also served on various association committees including Professional Standards. The author has represented many national companies in their real estate dealings including General Electric, Westinghouse, Coca-Cola, and Goodyear Tire and Rubber Co.
