Arthur G. Johnson PhD : High-Yield Immunology (High-Yield Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised High-Yield Immunology (High-Yield Series):

1 of 1 people found the following review helpful. good book, fast shipment By crispylocal This book is 2006 but is still good book as an addition o your knowledge in USMLE especially regarding immunity and coagulation system which does not change regarding the basics of the process. It ships fast. 5 stars for the seller and lovely 1 of 1 people found the following review helpful. Five Stars By SUJEONG PARK good 1 of 1 people found the following review helpful. good quick review By Jesus Iniguez enjoy how it is organized, quick review of very important high yield facts, thank you for putting this up

This book extracts the most important information on immunology and presents it in a concise, uncluttered fashion to prepare students for USMLE. High-Yield means exactly that!
