E. Robert Burns PhD, M. Donald Cave PhD : Histology and Cell Biology (Book with CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised Histology and Cell Biology (Book with CD-ROM):

Part of Mosby's Rapid Review series, Rapid Review Histology and Cell Biology provides essential, need-to-know material for both course study and student finals. Every book in the Rapid Review series presents information in an easy-to-read outline format that combines concise content with explanatory illustrations and Board-style questions. Clinical information is integrated throughout whenever possible, and a CD-ROM with 500 questions, answers, and rationales is included with each book. Two Board-style exams with questions and rationales are included in the book. A CD-ROM with 500 questions, answers, and rationales for all possible answers. The CD also contains a quizzing function that allows students to see their scores at the end of the tests. Engaging, two-color design. High yield

information is printed as a sidebar in the margins and contains must-know concepts including a brief description, clinical concepts, and mnemonics. Clinical information is integrated throughout whenever possible.
