Edith Applegate MS : Study Guide for The Anatomy and Physiology Learning System, 4e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Study Guide for The Anatomy and Physiology Learning System, 4e:

Designed to accompany The Anatomy and Physiology Learning System, 4th Edition, by Edith Applegate, this study guide helps you learn and review basic AP concepts. Each chapter emphasizes medical terminology with a set of key terms, word parts, clinical terms, and abbreviations, and then adds a variety of fun-filled learning exercises, review questions, a quiz, and a word puzzle. The study guide corresponds to the textbook chapter for chapter. Chapter learning objectives help you focus on the most important material. Key concepts are defined on the first page of each chapter in the workbook. Learning exercises for each chapter include short answer, matching, and diagrams to label and

color. Self-quizzes allow you to measure your progress and understanding. Fun and Games features end each chapter with a variety of engaging puzzles covering words and concepts. A chapter summary provides a brief review of each chapter. A chapter review provides questions for reinforcement and review of the concepts in each chapter.
