**Richard K. Riegelman, Robert P. Hirsch : Studying a Study and Testing a Test: How to Read the Health Science Literature** before purchasing it in order to gage whether or not it would be worth my time, and all praised Studying a Study and Testing a Test: How to Read the Health Science Literature:

Designed for medical students, junior doctors, practising physicians, and indeed anyone who reads medical literature,

this book acts as a guide to how to read and digest the information presented in medical literature.
