Inderbir Singh : Textbook of Human Histology: With Colour Atlas Practical Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Textbook of Human Histology: With Colour Atlas Practical Guide:

This new edition of a well-established textbook has been enriched by the addition of a large number of new photomicrographs of human tissues. The text has also been fully updated and the layout redesigned. High-quality slides are arranged in groups based on similarity of appearance to aid accurate identification. For medical and biomedical science students, students of anatomy, human physiology and dentistry.
